Independent Auditor's Report

To the Members of Renew Crew Foundation

Opinion

We have audited the accompanying financial statements of Renew Crew Foundation ("the Foundation") which comprise the statement of financial position as at July 31, 2022, statements of operations and changes in net assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Foundation as at July 31, 2022 and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the Financial Statements

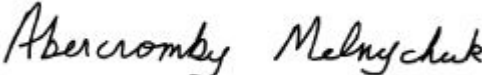

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Independent Auditor's Report

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Renew Crew Foundation Summary of Significant Accounting Policies

July 31, 2022

Nature and Purpose of Foundation

The Foundation was incorporated under the Canada Corporations Act and was issued Letters Patent on March 15, 1995. On July 11, 2000 the Foundation was registered as an extraprovincial society under the British Columbia Societies Act and on September 30, 2014 was issued a Certificate of Continuance under the Canada Not-for-profit Corporations Act. As a registered charity under the Income Tax Act, the Foundation is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

The Foundation was founded to receive and disburse resources to support activities and programs which are beneficial to the community. The Foundation currently collects used clothing and other items from the general public which it sells under contract to Value Village Stores, Inc.

Basis of Accounting

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations using the accrual basis of accounting. The accrual basis recognizes revenues as they become available and measurable. Expenditures are recognized as they are incurred and measurable as a result of receipts of goods or services and the creation of a legal obligation to pay.

Financial Instruments

The Foundation initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions.

The Foundation subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, wages payable and long-term debt.

Financial assets measured at amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in the statement of operations. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the statement of operations.

The Foundation recognizes its transaction costs in the statement of operations in the period incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

Renew Crew Foundation Summary of Significant Accounting Policies

July 31, 2022

Inventory

Inventory of used clothing is stated at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis.

Capital Assets

Capital assets are recorded at cost less accumulated amortization. Amortization is provided over the estimated useful lives of the assets using the declining balance basis and the following annual rates:

Asset	Rate
Computer hardware and software	30%, 55% and 100%
Vehicle	30%
Donation bins	20%
Warehouse equipment	20%
Furniture and office equipment	20%
Leasehold improvements	20%

Revenue Recognition

The Foundation recognizes revenue from sales when it is realized or realizable and earned. The Foundation considers revenue realized or realizable and earned when unit measures of used clothing and other items are delivered to its customers.

Government subsidies are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donations-In-Kind

The value of donated products and materials is not recorded due to the difficulty of determining their fair value.

Use of Estimates

The preparation of the financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

Renew Crew Foundation Notes to Financial Statements

July 31, 2022

1. Accounts Receivable

Accounts receivable include \$7,994 (2021 - \$45,132) in Canada emergency wage subsidies.

2. Capital Assets

	2022		2021	
	Cost	Accumulated Amortization	Cost	Accumulated Amortization
Computer hardware and software	\$ 416,044	\$ 414,210	\$ 415,131	\$ 412,895
Vehicle	37,860	32,451	37,860	30,133
Donation bins	528,409	338,218	494,013	294,969
Warehouse equipment	43,105	30,390	43,105	27,212
Furniture and office equipment	8,066	7,476	8,066	7,328
Leasehold improvements	5,281	4,924	5,281	4,389
	\$ 1,038,765	\$ 827,669	\$ 1,003,456	\$ 776,926
Net book value		\$ 211,096		\$ 226,530

3. Long-Term Debt

	2022	2021
Key West Ford, 0% loan, repayable at \$538 monthly until May 2023. The loan is secured by a charge over a specific vehicle having a net book value of \$5,409.	\$ 6,453	\$ 12,907
Canada emergency business account, 0% loan, no principal repayment until December 2023.	40,000	40,000
	46,453	52,907
Less current portion	6,453	6,454
	\$ 40,000	\$ 46,453

Renew Crew Foundation Notes to Financial Statements

July 31, 2022

3. Long-Term Debt, continued

Principal repayments for the next two years are as follows:

2023	\$	6,453
2024		<u>40,000</u>
	\$	<u>46,453</u>

4. Commitments

The Foundation has various operating leases covering equipment and office and warehouse space. Future minimum lease payments are as follows:

2023	\$	63,148
2024		<u>21,049</u>
	\$	<u>84,197</u>

The annual lease payments for office and warehouse space exclude maintenance, property taxes, insurance, and other operating costs, which change each year. For the year ended July 31, 2022 these costs amounted to an additional \$104,094 (2021 - \$75,020) in occupancy costs.

5. Economic Dependence

The Foundation earns 89% (2021 - 83%) of its sales revenue under a contract with Value Village Stores, Inc. Under the contract the Foundation receives a fixed price per unit measure and is restricted in the delivered amount based on a specified quota limit. The viability of the Foundation's operations is dependent upon the continuance of this contract.

Renew Crew Foundation Notes to Financial Statements

July 31, 2022

6. Financial Instruments

Risks and Concentrations

The Foundation is exposed to various risks through its financial instruments. Management is of the opinion that there has been no significant change to the risk exposures from the prior year. The following analysis provides a measure of the Foundation's risk exposure and concentrations at July 31, 2022:

Credit Risk

The Foundation is exposed to credit risk in the event of non-performance by counterparties in connection with its accounts receivable. Accounts receivable arise primarily from the sale of used clothing. The maximum exposure to credit risk is the carrying value of accounts receivable on the statement of financial position. Accounts receivable are non-interest bearing and are generally due in 30 days. At July 31, 2022 - 54% (2021 - 48%) of the Foundation's accounts receivable were due from one entity.

Liquidity Risk

Liquidity risk is the risk that the Foundation will not be able to meet its obligations associated with financial liabilities. The Foundation is exposed to this risk mainly in respect of its accounts payable and accrued liabilities and wages payable.

Renew Crew Foundation Notes to Financial Statements

July 31, 2022

7. Related Party Transactions

The Foundation had the following transactions with organizations considered related by common management:

	2022	2021
Big Brothers of Greater Vancouver Foundation		
Grants paid	\$ 1,550,000	\$ 1,825,000
Amounts paid for general and administration costs	\$ 129,266	\$ 86,764
Amounts paid for marketing costs	\$ 21,824	\$ 12,342
Big Brothers of Greater Vancouver		
Amounts paid for general and administration costs	\$ 30,700	\$ 28,900

These transactions were in the normal course of operations and were measured at the exchange value (the amount of consideration established and agreed to by the related parties), which approximates their arm's length equivalent value.

Included in accounts payable for amounts due to the related parties arising from these transactions are the following:

	2022	2021
Big Brothers of Greater Vancouver Foundation	\$ 33,598	\$ 481,511

Renew Crew Foundation Notes to Financial Statements

July 31, 2022

8. Director, Employee and Contractor Remuneration

Under the disclosure requirements of the British Columbia Societies Act, the Foundation must report the amount of remuneration paid to the ten highest paid employees where their remuneration, comprised of salaries and benefits, exceeds \$75,000. The Foundation had one employee who was paid remuneration of \$123,403 during the year. There were no payments made to Directors in the year.

9. Significantly Influenced Organization

As a result of certain common management activities, Big Brothers of Greater Vancouver is considered to have significant influence over the operations of the Renew Crew Foundation. The nature and purpose of Big Brothers of Greater Vancouver is to provide support to children who need positive adult role models in their lives. Big Brothers of Greater Vancouver was incorporated pursuant to the British Columbia Societies Act and as a registered charity under the Income Tax Act is exempt from income tax. During the year the Renew Crew Foundation donated \$1,550,000 (2021 - \$1,825,000) to the Big Brothers of Greater Vancouver Foundation, a non-consolidated controlled entity of Big Brothers of Greater Vancouver.

10. Significant Event

The outbreak of the novel strain of coronavirus, specifically identified as "COVID-19", has resulted in governments worldwide enacting emergency measures to combat the spread of the virus. These measures, which include the implementation of travel bans, self-imposed quarantine periods and social distancing, have caused material disruption to businesses globally, resulting in an economic slowdown. Global equity markets have experienced significant volatility and weakness. Governments and central banks have reacted with significant monetary and fiscal interventions designed to stabilize economic conditions. The duration and impact of the COVID-19 outbreak is unknown at this time, as is the efficacy of government and central bank interventions. It is not possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the Foundation in future periods.

Renew Crew Foundation Schedule of Expenditures
